(“Blackstone”) without seeking the approval of the Fund’s shareholders, so long as certain conditions are satisfied. This Information Statement is to inform you that, at BAIA’s recommendation, the Trust’s Board of Trustees (the “Board”) has recently approved Sorin Capital Management, LLC (“Sorin”),² which is unaffiliated with BAIA, and Blackstone Real Estate Special Situations Advisors L.L.C. THE FUND AND THE ADVISORY AGREEMENT

BAIA serves as the investment adviser to the Fund pursuant to an Investment Advisory Agreement dated March 17, 2014, as amended (the “Advisory Agreement”). BAIA seeks to achieve the Fund’s investment objective by allocating the Fund’s assets among a variety of non-traditional or “alternative” investment strategies, including, in part, by allocating the Fund’s assets among sub-advisers with experience managing alternative investment strategies. BAIA also manages a portion of the Fund’s assets directly and, from time to time, may instruct sub-advisers with respect to particular investments. BAIA is responsible for selecting the investment strategies, for identifying and retaining sub-advisers with expertise in the selected strategies, and for determining the amount of Fund assets to allocate to each sub-adviser or to manage directly.

BAIA may adjust allocations from time to time among strategies or sub-advisers and has discretion to not allocate any assets to one or more sub-advisers at any time. BAIA currently intends to generally consider the following factors as part of its sub-adviser screening process, although the factors considered from time to time or with respect to any one sub-adviser may vary and may include only some or none of the factors listed below or other factors that are not listed below:

- **Attractive long-term risk-adjusted investment performance:** BAIA seeks to choose sub-advisers focused on alternative strategies that it believes will produce attractive long-term risk-adjusted returns over a full market cycle.
- **Skilled application of non-traditional investment techniques:** BAIA believes that attractive risk-adjusted investment returns can sometimes be found outside traditional investment strategies that rely on relative performance against public market equity and fixed income benchmarks. BAIA seeks to choose sub-advisers who use “non-traditional” investment approaches, which often seek to take advantage of market inefficiencies and other factors in order to outperform the underlying markets of their investments.

² Sorin has served as a sub-adviser to the Fund since December 2014. However, the Board reapproved Sorin as a sub-adviser to the Fund in connection with a change of control of Sorin in November 2018 that resulted in the automatic termination of the prior investment sub-advisory agreement with Sorin.

- **Opportunistic approach to investing:** Among the sub-advisers sought out by BAIA, BAIA may choose “opportunistic” sub-advisers who are willing to make substantial investments based on the direction the sub-adviser anticipates a particular market, markets, or individual securities will take. These sub-advisers may make “directional investments” and frequently use leverage to attempt to produce attractive returns. It is possible that BAIA may make only relatively short-term allocations to sub-advisers that specialize in opportunistic trades.
- **Management stability and committed investment professionals:** BAIA believes the ability to generate attractive risk-adjusted returns over a full market cycle, especially when the application of sophisticated non-traditional techniques is involved, is dependent upon the performance of committed investment professionals. No matter how appealing the investment concept, BAIA believes that attractive risk-adjusted returns can only be generated by committed people operating in a stable environment.
- **Ongoing monitoring:** Once selected, the performance of each sub-adviser is regularly reviewed, and new sub-advisers are identified and considered on an on-going basis. In addition, the allocation of the Fund’s assets among sub-advisers, approaches, and styles will be regularly monitored and may be adjusted in response to performance results or changing economic conditions.

Each sub-adviser selected by BAIA and approved by the Board enters into a sub-advisory agreement with BAIA, pursuant to which each discretionary sub-adviser is delegated responsibility for the day-to-day management of the Fund’s assets allocated to it (the “Allocated Portion”). Each non-discretionary sub-adviser is responsible for providing BAIA with a model portfolio for the assets allocated to it to be implemented by BAIA in its discretion. BAIA compensates the sub-advisers out of the management fee it receives from the Fund. Each discretionary sub-adviser makes investment decisions for the assets it has been allocated to manage, subject to the overall supervision of BAIA. BAIA oversees the sub-advisers for compliance with the Fund’s investment objective, policies, strategies, and restrictions, and monitors each sub-adviser’s adherence to its investment style.

THE NEW SUB-ADVISORY AGREEMENTS

At a meeting of the Board held on November 13-14, 2018, the Board, including a majority of the Board members who are not interested persons of the Fund within the meaning of the Investment Company Act of 1940, as amended (the “1940 Act”) (the “Independent Trustees”), approved each of Sorin and BRESSA as sub-advisers to the Fund and, in connection therewith, also approved a new sub-advisory agreement between BAIA and Sorin and a sub-advisory agreement between BAIA and BRESSA. The new sub-advisory agreement with Sorin became effective as of December 1, 2018. The sub-advisory agreement with BRESSA became effective as of January 17, 2019.

Under its sub-advisory agreement, subject to the supervision and oversight of BAIA, each of Sorin and BRESSA will furnish continuously an investment program for the Fund, determining what investments to purchase, hold, sell, or exchange and what portion of the Fund’s assets to hold uninvested, with respect to its Allocated Portion, in compliance with the Fund’s governing documents, registration statement, investment objective, policies, and restrictions, and applicable law and subject to the oversight of the Board.

Each sub-adviser is responsible for its expenses incurred in connection with managing its Allocated Portion. Each sub-adviser receives, as compensation for its services, fees from BAIA (not the Fund) each quarter based on an annual percentage of the average daily net assets of its Allocated Portion.

The initial term of the new sub-advisory agreement with Sorin extends until December 1, 2020, and the initial term of the sub-advisory agreement with BRESSA extends until January 17, 2021. After the initial term, each sub-advisory agreement shall continue in effect for successive periods of no more than twelve (12) months each, only so long as such continuance is specifically approved at least annually (i) by the Board or by vote of a majority of outstanding voting securities of the Fund, and (ii) by a majority of the Independent Trustees. Each sub-advisory agreement may be terminated, without penalty, (x) by the Board, or by a vote of a majority of the outstanding voting securities of a Fund, upon 60 days’ written notice to BAIA and the sub-adviser; (y) by the

sub-adviser upon 60 days' written notice to BAIA and the Fund; or (z) by BAIA upon 61 days' written notice to the sub-adviser. Each sub-advisory agreement may also be terminated by BAIA immediately upon (a) a material breach of the agreement by sub-adviser, which is not promptly cured, or (b) if, at the discretion of BAIA, the sub-adviser or any officer, director, or key portfolio manager of the sub-adviser is accused in any regulatory, self-regulatory, or judicial proceeding of violating federal securities laws or engaging in other criminal conduct. Each sub-advisory agreement will terminate automatically in the event of its assignment or the termination of the Advisory Agreement.

Each sub-advisory agreement may only be amended in writing. Under the exemptive orders referenced above, so long as certain conditions are satisfied, each sub-advisory agreement may be amended materially without shareholder approval. However, the exemptive order requires generally that shareholders of the Fund receive notice within 90 days of the hiring of a new sub-adviser and that the Fund provide shareholders with information that is similar to that which would have been included in a proxy statement to shareholders.

The existing sub-advisers' sub-advisory agreements and services provided pursuant to such agreements are unchanged as a result of the Board's approval of the new sub-adviser, except that the amount of each existing sub-advisers' Allocated Portions may change as a result of the addition of the new sub-adviser.

The form of each of the sub-advisory agreements with Sorin and BRESSA is attached as Exhibit A.

BOARD CONSIDERATIONS

At its meetings on November 13-14, 2018, the Board, including a majority of the Independent Trustees, approved the sub-advisory agreements with each of Sorin and BRESSA. The Board had discussions with BAIA and reviewed and considered various written materials and oral presentations in connection with each of Sorin’s and BRESSA’s proposed services, including with respect to the nature, extent, and quality of services, profitability, fees and expenses, investment performance, and the code of ethics and compliance program of each of Sorin and BRESSA. Additionally, the Board considered the process undertaken during its consideration and approval of the Advisory Agreements between BAIA and the Trust, on behalf of the Fund, and the sub-advisory agreements between BAIA and each of the existing sub-advisers. The Board (and separately, the Independent Trustees) conferred with its independent legal counsel to consider the information provided. Following an analysis and discussion of the factors identified below, the Board, including a majority of the Independent Trustees, approved the sub-advisory agreement with each of Sorin and BRESSA.

Nature, Extent, and Quality of the Services

SORIN

The Board discussed and considered (1) Sorin’s personnel, operations, and financial condition; (2) Sorin’s strengths, including its focus on, and ability to generate alpha from, credit selection and tactical trading, its experience in the commercial mortgage-backed securities markets, and its focus on real estate assets and understanding of securitization nuances; (3) the percentage of assets allocated to Sorin; (4) the investment return on the assets managed by Sorin, the changes to the portfolio’s investment guidelines, and the risks related to Sorin’s investments; (5) Sorin’s experience and performance as a hedge fund manager and the extent to which Sorin’s strategy for the Fund overlapped with its hedge fund and managed account strategies; (6) Sorin’s experience and performance as a sub-adviser to the Fund since 2015; and (7) the experience and depth of Sorin’s portfolio management team managing hedge fund and other products and its ability to manage risk. The Board concluded that the nature, extent, and quality of the sub-advisory services provided were appropriate and thus supported a decision to approve the proposed sub-advisory agreement with Sorin.

BRESSA

The Board discussed and considered (1) BRESSA’s personnel, operations, and financial condition; (2) BRESSA’s strengths, including the experience of its investment team, its size/scale, and counterparty relationships; (3) a general framework for determining the percentage of assets that would be allocated to BRESSA; (4) the potential investment return on the assets that would be managed by BRESSA and related investment risks; (5) BRESSA’s experience in liquid commercial and residential real estate-related debt instruments; and (6) the experience and depth of BRESSA’s portfolio management team managing other products and its ability to manage risk. The Board concluded that the nature, extent, and quality of the sub-advisory services provided were appropriate and thus supported a decision to approve the proposed sub-advisory agreement with BRESSA.

Costs of Services and Profitability

In analyzing the cost of services and profitability of each of Sorin and BRESSA, the Board discussed (i) each sub-adviser's proposed sub-advisory fee for managing the allocated assets of the Fund; (ii) the fact that the sub-advisory fee rate for each of Sorin and BRESSA would not decrease as the level of portfolio assets of the Fund increased; (iii) each sub-adviser's resources devoted or that would be devoted to the Fund for investment analysis, risk management, compliance, and order execution; and (iv) the sub-advisers' varied responses to inquiries regarding the profitability of each sub-adviser from providing sub-advisory services to the Fund. The Board considered the specific resources that each of Sorin and BRESSA expected to devote to the Fund for investment analysis, risk management, compliance, and order execution, and the extent to which each sub-adviser's investment process would be scalable. The Board noted that the compensation paid to each sub-adviser was paid by BAIA, not the Fund, and, accordingly, that the retention of each sub-adviser did not increase the fees or expenses otherwise incurred by shareholders of the Fund. It also noted that the terms of each sub-advisory agreement were the result of separate arm's-length negotiations between BAIA and the sub-adviser. The Board considered information comparing the proposed sub-advisory fees to the fees that each sub-adviser charges for providing investment advisory services to certain other clients. The Board also considered information regarding the potential impact that retaining each of Sorin and BRESSA as sub-advisers to the Fund may have on BAIA's profitability, as well as information about the blended average of all sub-advisory fees that BAIA was expected to pay the sub-advisers based on anticipated allocations of Fund assets. The Board concluded that the level of investment sub-advisory fees was appropriate in light of the services to be provided.

Economies of Scale

The Board discussed various financial and economic considerations relating to the proposed arrangement with each of Sorin and BRESSA, including the potential for economies of scale. The Board noted that breakpoints based on the level of allocated assets of the Fund were not currently in place for Sorin or BRESSA. The Board noted that it would have the opportunity to periodically re-examine whether the Fund had achieved economies of scale, as well as the appropriateness of sub-advisory fees payable, with respect to different asset sizes of the portfolio, in the future. The Board also noted that, although not directly related to the sub-advisory fee payable to the sub-adviser, certain Fund expenses were subject to an expense cap, an undertaking by BAIA intended to limit the Fund's overall expenses at smaller asset levels, although the Fund's expenses were sufficiently limited such that the expense cap did not currently apply.

Other Benefits

The Board discussed other potential benefits that each of Sorin and BRESSA may receive from the Fund, including soft dollar arrangements, receipt of brokerage and research services, and the opportunity to offer additional products and services to Fund shareholders or BAIA. The Board noted in particular that each sub-adviser benefited from its relationship with BAIA. The Board concluded that any other ancillary or "fall out" benefits derived by each sub-adviser from its relationship with BAIA or the Fund, to the extent such benefits were identifiable or determinable, were reasonable and fair, resulted from the provision of appropriate services to the Fund and its shareholders, and were consistent with industry practice and the best interests of the Fund and its shareholders.

Other Considerations

The Board reviewed and considered certain terms and conditions of each sub-advisory agreement. After discussion, the Board concluded that the terms of each sub-advisory agreement were reasonable and fair. It was noted that the Board would have the opportunity to periodically re-examine the terms of the sub-advisory agreement in the future. The Board, including all of the Independent Trustees, concluded that the fees payable under each sub-advisory agreement were fair and reasonable with respect to the services that Sorin and BRESSA would each provide to the Fund and in light of the other factors described above that the Board deemed relevant. The Board also considered information that it had received regarding BAIA's review of each sub-adviser's compliance program. The Board based its approval of each of the sub-advisory agreements on a comprehensive

consideration of all relevant information presented to the Board at its meetings throughout the year, as applicable, and not as a result of any single controlling factor. The Board was also assisted by the advice of independent legal counsel in approving the sub-advisory agreements.

Copies of such confirmations, trade tickets, and other documents and information shall be provided concurrently to the Administrator. With respect to securities or other instruments to be settled through the Fund's Custodian, the Sub-Adviser will arrange for the prompt transmission of the confirmation of such trades to the Custodian. The Sub-Adviser will provide such additional information regarding violations of the Code of Ethics as the Board or the Chief Compliance Officer on behalf of the Fund or the Adviser may reasonably request in order to assess the functioning of the Code of Ethics or any harm caused to the Fund from a violation of the Code of Ethics, but reserving the right to assert all applicable legal privileges, provided that such assertion does not conflict with the Fund's or the Board's compliance with applicable law. Further, the Sub-Adviser represents and warrants that it has policies and procedures regarding the detection and prevention of the misuse of material, nonpublic information by the Sub-Adviser and its employees.

- l. Sub-Adviser Review of Materials. Upon the Adviser's reasonable advance request, the Sub-Adviser shall review and comment upon selected portions relating to the Sub-Adviser and/or Strategy (including the Allocated Portion) of the Registration Statement and ancillary sales and marketing materials prepared by the Adviser for the Fund (with respect to the Sub-Adviser's provision of the services under this Agreement or the Strategy or performance with respect to the Allocated Portion), and participate, at the reasonable request of the Adviser, in educational meetings with placement agents and other intermediaries about portfolio management and investment-related matters of the Fund. To the extent that such inspections, notices, or inquiries relate to the Fund, the Sub-Adviser shall promptly make available such documents to the Adviser unless, in the opinion of the Sub-Adviser's counsel, the Sub-Adviser would be legally prohibited from doing so.

On occasions when the Sub-Adviser deems the purchase or sale of a security to be in the best interest of the Fund as well as other clients of the Sub-Adviser, the Sub-Adviser may, in accordance with applicable law and any relevant Sub-Adviser Procedures, aggregate the securities to be so purchased or sold with other orders for other clients of the Sub-Adviser in order to obtain best execution. In such event, allocation of the securities so purchased or sold, as well as of the fees and expenses incurred in the transaction, will be made by the Sub-Adviser consistent with the Procedures and in the manner it considers to be equitable and consistent with its fiduciary obligations to the Fund and to such other clients.

Pursuant to Commodity Futures Trading Commission (“CFTC”) Regulation 43.6(i), the Sub-Adviser is hereby authorized to execute swap transactions on behalf of the Fund as “block trades.” Additionally, when the Sub-Adviser deems the execution of a swap transaction to be in the best interest of the Fund as well as other clients of the Sub-Adviser, the Sub-Adviser may, in accordance with applicable law and any relevant Sub-Adviser Procedures, aggregate swap transactions to be executed for the Fund with swap transactions to be executed for other clients of the Sub-Adviser and execute such aggregated transactions as a “block trade” in accordance with CFTC Regulation 43.6(h)(6).

During the term of this Agreement, the Sub-Adviser shall have the right, upon reasonable request and at its own expense, to review all sales and other marketing materials utilizing the name of the Sub-Adviser and any combination or derivation thereof, *provided, however*, that if the Sub-Adviser fails to comment in writing (including via e-mail) by the end of the third business day after delivery of such materials, the Sub-Adviser will be deemed to have granted consent on the end of the third business day following delivery of such materials to the Sub-Adviser for approval.
- b. Restrictions on Use of Adviser's Name. The Sub-Adviser shall not use the name of the Trust, the Fund, the Adviser, "Blackstone Alternative Asset Management L.P." or "Blackstone" (or any combination or derivation thereof) in any material relating to the Sub-Adviser in any manner not approved prior thereto in writing by the Adviser (other than inclusions of such entities in lists of the Sub-Adviser's clients). Each of the Adviser and the Sub-Adviser represents and warrants that it will not make, or cause or allow any of its affiliates to make, any oral or written statement to any third party that disparages, defames, or reflects adversely upon the Trust, the Fund, the Adviser or the Sub-Adviser, as applicable. Prior to effecting any material change to the definitions in the Procedures of Trade Error or Compliance Error (or to any associated obligations or liabilities of the Sub-Adviser), Adviser agrees to provide written notice to the Sub-Adviser at least 35 days prior to the material change becoming effective with respect to the Allocated Portion unless, in the reasonable discretion of the Adviser, such change must become effective earlier due to any applicable law, rule, regulation or court order. Sub-Adviser for inclusion in such documents); (ii) any action or inaction by the Sub-Adviser that the Sub-Adviser has made or refrained from making, as applicable, in good faith pursuant to and consistent with the Adviser's written instructions to the Sub-Adviser; or (iii) the bad faith, willful misconduct, or gross negligence by the Adviser in the performance of its duties under this Agreement or reckless disregard of its obligations or duties hereunder.

No Indemnifying Party shall be liable under this section for any settlement of any Proceeding entered into without its consent with respect to which indemnity may be sought hereunder.
- f. The rights of indemnification provided in this section shall not be exclusive of or affect any other rights to which any person may be entitled by contract or otherwise by law.

If, at any time during the term of this Agreement, it discovers any fact or omission, or any event or change of circumstances has occurred, which would make any of its representations and warranties in this Agreement inaccurate or incomplete in any material respect, the Sub-Adviser will provide prompt written notification to the Adviser of such fact, omission, event, or change of circumstance, and the facts related thereto. The Sub-Adviser agrees that it will provide prompt notice to the Adviser in the event that: (i) the Sub-Adviser makes an assignment for the benefit of creditors, files a voluntary petition in bankruptcy, or is otherwise adjudged bankrupt or insolvent by a court of competent jurisdiction; or (ii) a material event occurs that could reasonably be expected to adversely impact the Sub-Adviser’s ability to perform its duties under this Agreement.

INVESTMENT SUB-ADVISORY AGREEMENT

AGREEMENT, effective as of January 17, 2019, between Blackstone Alternative Investment Advisors LLC, a Delaware limited liability company (the “**Adviser**”), and Blackstone Real Estate Special Situations Advisors L.L.C., a Delaware limited liability company (the “**Sub-Adviser**”).

WHEREAS, the Adviser has entered into an Investment Advisory Agreement (the “**Advisory Agreement**”) with Blackstone Alternative Investment Funds, a Massachusetts business trust (the “**Trust**”), on behalf of its series, Blackstone Alternative Multi-Strategy Fund (the “**Fund**”), relating to the provision of portfolio management services to the Fund; and

WHEREAS, the Trust is registered as an open-end management investment company under the Investment Company Act of 1940, as amended (the “**1940 Act**”); and

WHEREAS, the Advisory Agreement provides that the Adviser may delegate any or all of its portfolio management responsibilities under the Advisory Agreement to one or more sub-investment advisers; and

WHEREAS, in selecting sub-investment advisers and entering into and amending sub-advisory agreements, the Adviser and the Trust may rely upon an exemptive order obtained from the Securities and Exchange Commission (“**SEC**”), provided that the Adviser and the Trust comply with the terms and conditions set forth therein; and

WHEREAS, the Adviser and the Board of Trustees (the “**Board**”) of the Trust desire to retain the Sub-Adviser to render portfolio management services to the Fund in the manner and on the terms set forth in this Agreement.

NOW THEREFORE, in consideration of the mutual covenants and agreements set forth herein, the Adviser and the Sub-Adviser agree as follows:

1. **Appointment.**

- a. Role of Sub-Adviser. The Adviser hereby appoints the Sub-Adviser to act as an investment adviser for the Fund, subject to the oversight and direction of the Adviser and the Board, for so long as this Agreement remains in effect. Without limiting the generality of the previous statement, the Sub-Adviser shall manage the investment and reinvestment of the assets of the Fund allocated to it in accordance with such investment strategies and within such limitations as the Adviser and the Sub-Adviser shall agree from time to time (collectively the “**Strategy**”). The Sub-Adviser acknowledges and agrees that the various investment advisory and other services as set forth herein to be performed by the Sub-Adviser will apply to the portion of the Fund’s assets that the Adviser or the Board shall from time to time designate, which may consist of all or a portion of the Fund’s assets (the “**Allocated Portion**”). Initially, the Sub-Adviser will provide the various investment advisory and other services with respect to the Allocated Portion to wholly-owned subsidiaries of the Fund, Blackstone Alternative Multi-Strategy Sub Fund II Ltd and Blackstone Alternative Multi-Strategy Sub Fund IV LLC. The Sub-Adviser hereby accepts such appointment and agrees during such period, subject to the oversight of the Board and the Adviser, to render the services and to assume the obligations herein set forth for the compensation stated in Section 5 hereof. The Sub-Adviser shall for all purposes herein be deemed to be an independent contractor and shall, except as expressly provided or authorized (whether herein or otherwise), have no authority or obligation to act for or represent the Adviser, the Trust, or the Fund in any way.
- b. Limitations of Sub-Adviser’s Responsibility. Except as expressly set forth in this Agreement, the Sub-Adviser shall not be responsible for aspects of the Fund’s investment program or compliance program other than in relation to the management of the Allocated Portion in accordance with the Strategy.

- c. Sub-Advisory Arrangement Not Exclusive for Fund and Sub-Adviser. It is acknowledged and agreed that the Adviser may appoint from time to time other sub-advisers in addition to the Sub-Adviser to manage the assets of the Fund that do not constitute the Allocated Portion and nothing in this Agreement shall be construed or interpreted to grant the Sub-Adviser an exclusive arrangement to act as the sole sub-adviser to the Fund. It is further acknowledged and agreed that the Adviser makes no commitment to designate any portion of the Fund's assets to the Sub-Adviser as the Allocated Portion. The Adviser also recognizes that the Sub-Adviser may be or become associated with other investment entities and engage in investment management for others. Except to the extent necessary to perform its obligations hereunder, nothing herein shall be deemed to require the Sub-Adviser to devote any minimum amount of time or attention to the management of the Allocated Portion. Except as otherwise expressly provided herein, nothing herein shall be deemed to limit or restrict the right of the Sub-Adviser to engage in, or to devote time and attention to the management of any other business, whether of a similar or dissimilar nature, or to render services of any kind to any other corporation, firm, individual or association. The Sub-Adviser will give advice or take action with respect to other investment entities that it manages that differs from the advice given with respect to the Allocated Portion.

2. **Sub-Adviser Duties.**

The Sub-Adviser is hereby granted (subject to the limitations expressed) the following authority and undertakes to provide the following services and to assume the following obligations:

- a. Supervision; Adviser Retains Certain Authority. In furnishing the services hereunder, the Sub-Adviser will be subject to the supervision of the Adviser and the Board. Subject to notice to the Sub-Adviser, the Adviser retains complete authority, to the extent permitted under the Advisory Agreement, to immediately assume direct responsibility for any function delegated to the Sub-Adviser under this Agreement.
- b. Continuous Investment Program. The Sub-Adviser shall formulate and implement a continuous investment program for the Allocated Portion in accordance with the Strategy, including determining what portion of such assets will be invested or held uninvested in cash or cash equivalents. Without limiting the generality of the foregoing, the Sub-Adviser is authorized to: (i) make investment decisions for the Fund in respect of the Allocated Portion, including decisions for the investment and reinvestment of the assets (including cash and cash-equivalent assets) held in the Allocated Portion; (ii) place purchase and sale orders for portfolio transactions in respect of the Allocated Portion and manage otherwise uninvested cash or cash equivalent assets of the Allocated Portion (sale orders of securities may from time to time be bunched or aggregated with orders for other accounts which the Sub-Adviser manages); (iii) use financial derivative instruments and any of the efficient portfolio management techniques and instruments as may in the reasonable opinion of the Sub-Adviser be necessary in order to implement the Strategy; and (iv) subject to Section 2(e) below, execute account documentation, agreements, contracts, and other documents as may be requested by brokers, dealers, counterparties, and other persons in connection with the Sub-Adviser's management of the Allocated Portion (in such respect, and only for this limited purpose, the Sub-Adviser will, as necessary to effect such documentation, agreements, contracts and other documents, act as the Adviser's and the Fund's agent and attorney-in-fact). The Sub-Adviser, in general, will take such action as is appropriate to manage the Allocated Portion effectively.
- c. Management in Accordance with Fund Governing Documents and Procedures. Subject to any guidelines agreed upon between the Adviser and Sub-Adviser from time to time, the Sub-Adviser will manage the Allocated Portion subject to and in accordance with:
- i. the Strategy;
 - ii. the policies and restrictions of the Fund set forth in the Fund's Agreement and Declaration of Trust, as amended, By-Laws and the Fund's registration statement (as from time to time

amended, supplemented, and in effect, the “**Registration Statement**”) (collectively, the “**Governing Documents**”) as delivered to the Sub-Adviser;

- iii. the requirements applicable to registered investment companies under applicable laws, including without limitation the 1940 Act and the rules and regulations thereunder and the Internal Revenue Code of 1986, as amended, and the rules and regulations thereunder applicable to qualification as a “regulated investment company”;
 - iv. any service level agreement that may be agreed between the parties from time to time; and
 - v. any written instructions which the Adviser or the Board may issue to the Sub-Adviser from time to time.
- d. The Sub-Adviser also agrees to conduct its activities hereunder in accordance with any applicable procedures or policies adopted by the Board with respect to the Fund as from time to time in effect and communicated in writing to the Sub-Adviser (the “**Procedures**”). The Adviser has provided to the Sub-Adviser copies of all current Governing Documents and current Procedures and shall provide to the Sub-Adviser any amendments or supplements thereto. The Adviser will endeavor to provide reasonable notice to the Sub-Adviser of any material changes to the Governing Documents or the Procedures which the Sub-Adviser will be responsible to follow once the revised documents are provided from the Adviser to the Sub-Adviser. The Adviser shall promptly furnish the Sub-Adviser with such additional information as may be reasonably necessary for or reasonably requested by the Sub-Adviser to perform its responsibilities pursuant to this Agreement.
- e. Fund Counterparties. The Sub-Adviser will utilize counterparties and/or clearing members for prime brokerage, futures clearing, listed and OTC options and swap services, ISDA services, and other transactions in financial derivative instruments under agreements set up by, and in the name of, the Adviser or the Fund. The Sub-Adviser will provide reasonable assistance to the Adviser in negotiating trading terms and other arrangements with counterparties and/or clearing members upon reasonable request. In effecting transactions for the Allocated Portion, the Sub-Adviser will utilize broker-dealers and swap execution facilities, if applicable, for trade execution selected by the Sub-Adviser, and accounts set up by the Sub-Adviser with such broker-dealers and swap execution facilities. The Sub-Adviser will be responsible for managing any collateral and margin requirements associated with investments made for the Allocated Portion (where applicable) and will perform in-house reconciliation procedures on such accounts and provide information regarding such reconciliations to the Adviser upon request.
- f. Reports. The Sub-Adviser shall render such reports to the Board and the Adviser as they may reasonably request concerning the investment activities of the Sub-Adviser with respect to the Fund. On each business day, the Sub-Adviser shall provide reports (to which the Adviser will have access) to the Fund’s administrator (the “**Administrator**”) regarding (i) the securities or other instruments, including, without limitation, cash and cash equivalents, held in the Allocated Portion; and (ii) the securities or other instruments purchased and sold for the Allocated Portion by the Sub-Adviser on such business day. The Sub-Adviser also shall provide such additional information to the Adviser or the Administrator regarding the Sub-Adviser’s implementation of the Strategy as the Adviser or Administrator may reasonably request in such format as the Adviser or Administrator may request.
- g. Proxy Voting. The parties hereby agree that the Sub-Adviser shall not be responsible for proxy voting in respect of the issuers of securities and other instruments held in the Allocated Portion. Notwithstanding the foregoing, at the reasonable request of the Adviser, the Sub-Adviser shall assume responsibility for voting proxies and making all other voting and consent determinations with respect to the issuers of securities and other instruments held in the Allocated Portion in (i) a manner deemed by the Sub-Adviser to be in the best interests of the Fund (as it relates to the Allocated Portion) and (ii) accordance with the Sub-Adviser’s then-existing proxy voting policies

and procedures (a copy of which will be provided by the Sub-Adviser to the Adviser). The Adviser shall provide the Sub-Adviser notice reasonably in advance of any request that the Sub-Adviser assume responsibility to vote proxies on behalf of the Fund (it being understood that a single notice may state a continuing obligation), and shall cause materials relating to such proxies to be forwarded to the Sub-Adviser in a timely fashion by the Fund's custodian, the Administrator or another party. It is acknowledged and agreed that the Sub-Adviser shall not be responsible for the filing of claims (or otherwise causing the Fund to participate) in class action settlements or similar proceedings in which shareholders may participate related to securities currently or previously associated with the Allocated Portion. The Sub-Adviser shall provide disclosure regarding its proxy voting policies and procedures in accordance with the requirements of Form N-1A for inclusion in the Registration Statement of the Trust. To the extent that the Sub-Adviser votes proxies for the Fund, the Sub-Adviser shall report to the Adviser in a timely manner a record of all proxies voted, in such form and format that permits the Fund to comply with the requirements of Form N-PX with respect to the Allocated Portion. During any annual period in which the Sub-Adviser has voted proxies for the Fund, the Sub-Adviser shall confirm as to its compliance with its proxy voting policies and procedures and applicable federal statutes and regulations.

- h. Sub-Adviser's Management and Monitoring of the Allocated Portion. The Sub-Adviser shall be responsible for daily monitoring of the investment activities and portfolio holdings associated with the Allocated Portion according to a monitoring system that is reasonably designed to ensure compliance with the Strategy, relevant Governing Documents and Procedures, and applicable law. The Adviser or the Trust on behalf of the Fund, as applicable, shall timely provide to the Sub-Adviser all information and documentation that the parties mutually agree are necessary or appropriate for the Sub-Adviser to fulfill its obligations under this Agreement. The Sub-Adviser shall act on any reasonable instructions of the Adviser with respect to the investment activities used to manage the Allocated Portion to ensure the Fund's compliance with the Governing Documents, Procedures, and applicable law.
- i. Daily Transmission of Information to Custodian. In connection with any purchase and sale of securities or other instruments for the Allocated Portion, the Sub-Adviser will arrange for the transmission to the custodian for the Fund (the "**Custodian**") on a daily basis such confirmation, trade tickets, and other documents and information, including, but not limited to, CUSIP, Sedol, or other numbers that identify the securities or other instruments to be purchased or sold on behalf of the Fund, as may be reasonably necessary to enable the Custodian to perform its custodial, administrative, and recordkeeping responsibilities with respect to the Fund. Copies of such confirmations, trade tickets, and other documents and information shall be provided concurrently to the Administrator. With respect to securities or other instruments to be settled through the Fund's Custodian, the Sub-Adviser will arrange for the prompt transmission of the confirmation of such trades to the Custodian. The parties acknowledge that the Sub-Adviser is not a custodian of the Fund's assets and will not take possession or custody of such assets.
- j. Assistance with Valuation. The Sub-Adviser will provide reasonable assistance to the Adviser, the Custodian, the Administrator or another similar party designated by the Adviser in assessing the fair value of securities or other instruments held in the Allocated Portion for which market quotations are not readily available or for which the Adviser or the Board has otherwise determined to fair value such portfolio holdings.
- k. Provision of Information and Certifications. The Adviser and the Fund shall cease to use the name of the Sub-Adviser in any newly printed materials (except as may, in the sole discretion of the Adviser, be reasonably necessary to comply with applicable law) promptly upon termination of this Agreement with respect to the Fund. During the term of this Agreement, the Sub-Adviser shall have the right, upon reasonable request and at its own expense, to review all sales and other marketing materials utilizing the name of the Sub-Adviser and any combination or derivation thereof, *provided, however*, that if the Sub-Adviser fails to comment in writing (including via e-mail) by the end of the third business day after delivery of such materials, the Sub-Adviser will be deemed to have granted consent on the end of the third business day following delivery of such materials to the Sub-Adviser for approval.

documents; or (ii) the bad faith, willful misconduct or gross negligence by the Sub-Adviser in the performance of its duties under this Agreement or reckless disregard of its obligations or duties hereunder. - d. No Indemnifying Party shall be liable under this section for any settlement of any Proceeding entered into without its consent with respect to which indemnity may be sought hereunder.
- f. The rights of indemnification provided in this section shall not be exclusive of or affect any other rights to which any person may be entitled by contract or otherwise by law.

15. Confidentiality.

- a. Except as expressly authorized in this Agreement or as required by applicable law, regulation or court order, each party hereto and its affiliates (each, for purposes of this section, the "**Recipient Party**") shall keep confidential and shall not use or disclose, except with the consent of the other party hereto (each, for purposes of this section, the "**Disclosing Party**"), any and all non-public, proprietary or confidential information concerning the business of the Disclosing Parties and/or their affiliates or investors, or potential investors, therein obtained in connection with the services rendered under this Agreement, including, without limitation, Portfolio Information (the "**Information**"); provided that the Recipient Party may make such disclosure to its directors, officers, partners, employees, agents, advisors, service providers, potential financing counterparties or representatives, including legal and compliance personnel (collectively, the "**Representatives**") who (i) need to know the Information in connection with this Agreement, (ii) have been informed of the confidential nature of such Information, and (iii) have been advised that such Information is to be kept confidential and not used for any other purpose. Notwithstanding the foregoing, the Trust and the Adviser shall be permitted to disclose Information to any third party in connection with the operation of the Fund or subject to a non-disclosure agreement, provided that such third party has been advised that such Information is to be kept confidential and the Adviser shall not identify the securities and other instruments held in the Allocated Portion as specifically attributable to the Allocated Portion or the Sub-Adviser in any disclosure of such Portfolio Information (except for disclosures to Representatives). The term "**Information**" will not include information that (i) is or becomes publicly available other than as a result of a disclosure by the Recipient Party in violation of this section; (ii) is or becomes available to the Recipient Party or its Representatives from a source other than the Disclosing Party, which source, to the knowledge of the Recipient Party or its Representatives, does not have an obligation of confidentiality to the Disclosing Party with respect to such information; (iii) was already in the Recipient Party's possession or the possession of its Representatives prior to receiving such information from the Disclosing Party; or (iv) is developed independently by the Recipient Party or its Representatives without use of the Information. Notwithstanding anything to the contrary provided elsewhere herein, none of the confidentiality

provisions in this section shall in any way limit the activities of Adviser and its affiliates in their businesses of providing services to the Trust or other clients.

- b. Portfolio Information. As used herein “**Portfolio Information**” means confidential and proprietary information of the Fund, the Adviser or the Sub-Adviser that is received by a party hereto in connection with this Agreement, and information with regard to the portfolio holdings, investment activity and characteristics of the Fund.
- c. Each of the Adviser and the Sub-Adviser agrees that it shall exercise the same standard of care that it uses to protect its own confidential and proprietary information, but no less than reasonable care, to protect the confidentiality of the Information.
- d. Each Recipient Party acknowledges the global nature of each Disclosing Party’s businesses and the efforts the Disclosing Parties undertake to develop, preserve and protect their Information and their business and competitive advantage and goodwill. Accordingly, each Recipient Party acknowledges and agrees that the restrictions, limitations and obligations in this section are reasonable and necessary for the protection of the legitimate business interests of the Disclosing Parties and their affiliates. Each Recipient Party also acknowledges that the Disclosing Parties would not have entered into this Agreement unless the Recipient Party agreed to such restrictions, limitations, and obligations.
